SANATORIUM STAFF HERE FEB.

Superintendent Campbell Orders Them to Report on that Date -He Will Come Sooner-Sunday, February 9th, to be Day For Public Inspection-Commissioner Gunshanan's Views on Needed Legislation.

Dr. Hugh B. Campbell, who is superintendent of the New London county tuberculosis sanatorium, is to come here this week to take up his permanent residence in the superintendent's quarters, which are in the administration building, and the staff of employes has been ordered to report for February 1st.

The work to turn the buildings over completely ready for use as far as their interiors go has been making good progress the past week.

The steam fitters finished their work on Friday and left so that the steam

on Friday and left so that the steam heating plant is now in operation and all interior work can consequently be all interior work can consequently be carried forward without interruption from weather conditions. Doors are now being hung throughout the buildings, this being the final carpenter work. Some hardware that has been expected has been slow in arriving and this may possibly block the effort to have the inferior work completely done by the first of February.

In the kitchen the equipment is about all installed, the range and bake ovens

Eastern Connecticut to inspect the newly opened sanatorium on February 6th in the afternoon from 2 to 6 o'clock. At that time Dr. Stephen F. Marr and John F. Gunshanan, both members of the state tuberculosis commission will be here and Dr. David Lyman of the state tuberculosis commission will be here, and Dr. David Lyman of Gaylord farm at Wallingford, a private tuberculosis sanatorium, is another who will attend. There will be inspection of the building and informal talks by physicians and talks by physicians and members of the tuberculosis commission.

Public Inspection Day. Then on Sunday, February 9th the sanatorium will be open for inspection by the public, when everyone will be free to come ad see just what the state is doing by providing these homes for the cure of those affilted with the great White Plague.

Since a state tuberculosis sanatorium is something entirely new to this section of the state and the one at Norwich will serve the population of both New London and Windham counties, it is expected there will be a very gen-

is expected there will be a very gen-eral interest in the public inspection day and a correspondingly large number of visitors on Sunday, February Tuberculosis Legislation. In an address recently before a men's

club at Bristol, Commissioner Gun-shanan talked upon the subject of Tuberculosis Legislation, upon which he said that the legislation to be asked for at the present session of the general assembly will be the most im-portant in the history of the campaign

MRS. ELIZA RIPLEY'S

"Social Life in Old New Orleans"-Local Interest in the Work Among the books recently purchased

containing 25 handsome illustrations depicting the life of the south, also two portraits of Mrs. Ripley. The final arrangements for its publication were sanctioned by her the day before her death, which occurred July 13, 1912, in the Sist year of her age.

Sang at Willimantic Funeral. A quartette of the Mt. Calvary Bap-tist church choir, consisting of Miss F. Drury, assistant chorister, sang at the funeral of Henry Smith in Willimantic on Monday afternoon. The deceased was a member of the church. He leaves a wife and six sons. James W. of Boston W. He leaves a wife and six sons, James W. of Boston, Wort E. Smith of New York, Austin S. of Williamntic, Walter S. of Milford, Cann., Robert W. of Leb-S, of Milford, Cann., Robert W. of Leb-anon, Fred R, of Bridgeport, and two daughter, Mrs. Luella Allen of Nor-wich and Mrs. Malinda Morton of New Haven. Two granddaughters, Mrs. De-lin Lloyd of Norwich and Miss Ada V. Smith of Middletown, also survive him. Burial was in the family plot at Leb-anon.

Ten Team Captains Will Meet. A meeting of the ten team captains appointed by Mrs. Charles L. Hubbard to take up the matter of securing a sufficient amount of money to pur-chase an auto ambulance for the Backus hospital is to be held at the residence of Mrs. Hubbard this (Thursday) morning at 10.30 o'clock. A systematic campaign for the ambulance fund will be started on Monday, Feb. 3. The campaign plans have been for-mulated by Mrs. Hubbard and Mrs. James L. Case is assisting her in the

Cold cash has produced many quit-

The readers of this paper will be sleased to learn that there is at least me dreaded disease that science has been able to cure in all its stages, and hat is Catarrh. Hall's Catarrh Cure is he only positive cure now known to he medical fraternity. Catarrh being constitutional disease, requires a constitutional disease, requires a constitutional disease, requires a constitutional disease, acting directly upon the bloed and mucous surfaces if the system, thereby destroying the oundation of the disease, and giving he patient strength by building up the constitution and assisting nature in loing its work. The proprietors have to much faith in its curative powers hat they offer One Hundred Dollars or any case that it fails to cure. Send or list of testimonials.

ested in the scheme of a state farm for inebriates, which, Commissioner Gun-shanan said, he understood friends of the temperance movement were work-ing for and were making a determined effort to have legislation enacted along that line, these people could be provided for in a separate building on the

"You might ask," said the commis-er, "how these people obtain In the kitchen the equipment is about all installed, the range and bake ovens having been placed.

The pole line from the street to the buildings to carry the electric light and power wires, telephone and fire slarm has been set and some of the wires strung.

Invitations to Physicians.

Doctor Campbell has his invitations prepared to send to the physicians of Eastern Connecticut to inspect the newly opened sanatorium on February 6th in the afternoon from 2 to 6 o'clock. At that time Dr. Stephen F. Marr and John F. Gunshanan, both members of the state tuberculosis commission will be here, and Dr. David Lyman of street in the state sanatoriums. We have discovered on numerous occasions that the liquor was brought to the state tuberculosis commission will be here, and Dr. David Lyman of states where consumptives have died. In many of the towns of the state at the present time there is no effort made, owing to the slight expense en-tailed to protect the healthy inhabi-tants from the careless consumptive."

Spitting Law Disregarded. Mr. Gunshanan said the present law prohibiting spitting on the side-walks is totally disregarded, and he would urge the health board in the cities to have the police be more ac-tive against this filthy habit. In Boston, he said each policeman was instructed to arrest not more than two well-dressed people whom they had found violating this law ,and it was arranged that they would be fined \$2 by the court. The result was that many so-called self-respecting people found themselves before the bar of justice and the agitation which was created through the public press by this action of the police has resulted in making Boston one of the clean-est cities in this respect in this coun-

Other Necessary Laws. Another law which should be en acted is one that would prevent con-sumptive working people from being employed in the preparation of food stuffs. Still another matter which the state will have to take up is how institution where they can be forcibly until the disease is moderately addetained. The speaker said that when vanced, or hopeless. Medical authorarishioners visited the church during the working people first interested the lities seem to agree that the average laciple of the church Monday for confessions the church Monday for confessions were heard in six to be cured in six purpose of being relieved of the elements, while the more moderatedly ment. DANGER IN RECALL

OF THE JUDICIARY Judge Parker Addressed State Association—Hadlai A. elected President. Hull Re-

The stafe bar association at its annual meeting in New London Monday re-elected the following officers: President, Hadiai A. Hull, New London; vice president, Charles Phelps, Rockville; secretary-treasurer, James E. Wheeler, New Haven.

More than 100 lawyers assembled at the Mohlcan hotel Monday night at the banquet, at which the principal speaker was Judge Alton B. Parker of New York, once a candidate for president on the democratic ticket. Judge Parker spoke on the danger of the recall of the judiciary and asked the Connecticut association to join with New York in educating the people to the danger of the doctrine.

Judge A. Heaton Robertson of New Haven moved that the president appoint a committee of five to make a report on the matter at the July meeting and the motion was unanimously passed. Stiles Judson of Stratsford moved that the \$10,000 limit for death damage be climinated and the matter was referred to the jurisprudence committee.

In the afternoon meeting of the association held in the superior court room, the committee on jurisprudence, consisting of William Waldo Hyde of Hartford, Edward M. Day of Hartford, James P. Pigott of New Haven, William B. Boardman of Bridgeport, Robert L. Munger of Ansonia, Charles Robert L. Munger of Ansonia, Charles B. Waller of New London and Arthur M. Brown of Norwich submitted a report on several matters of importance. The committee on pudicial administration reported several recommendations reported several recom-mendations approved at the annual meeting of the association in 1911 and 1912 and referred back to the com-mittee to prepare bills. This commit-tee consists of E. P. Arvine, acting chairman, and Philip Z. Hankey of New London and Herbert W. Rathbun of Mystic.

of Mystic. In his annual address President Hull advocated the amplifying of the powers of prosecuting attorneys. They should be given the power to procure a bench warrant, he said, upon presenting a prima facie case by affidavit or otherwise and reason for special action whereas the proceeding cial action, whereas the prosecuting attorney can issue bench warrants only when the cominal court is in session at present. He thought the state at torneys need power of compulsory process to secure attendance of witnesses and to examine them under oath before trial. Complications which might arise under the constitutional inhibition against compelling parties to give evi-dence against themselves could be met

by proper legislation.

Neglect and mismanagement of pro-Neglect and mismanagement of pro-bate matters as well as the deplor-able condictions of records in some of our probate courts is cause for con-cern, he stated. Title to property is imperilled by loose methods of ad-ministering estates. In some locations by gradual annexations of smaller pro-bate districts with larger ones an ap-proach is being made to the desired proach is being made to the desired

GIRL'S LAST LETTER NOT TO HER MOTHER Last Missive Written by Miss Bernice Leach Not Located Yet.

The letter written by Bernice E. portant in the history of the campaign conducted in this state.

The Inebriate Consumptive.

The inebriate consumptive is the most serious problem which the state has to deal with at the present time and legislation will be required to have these unfortunates segregated from the self-respecting working people in our state sanatoriums and removed to an institution where they can be forcibly detailed. The speaker said that when vanced or hopeless. Medical author.

The inebriate Consumptive.

The letter written by Bernice E, the dependents on a consumptive can be provided for while the afflicted person is taking the cure. From an economic standpoint the commissioner believed it would be cheaper for the state to apprepriate a fund for this purpose to encourage the worker to take the cure when he is in the invented that the hospital, where she is a nurse. This was discovered Monday take the cure when he is in the invented that the hospital, when the girl's stepfather, B. L. Cram, when the girl's stepfather, B. L. Cram.

It had been hoped that the letter witten by Bernice E, Leach, just before she committed suicide by asphyxiation at her home in New London Saturday afternoon, which she gave to a little girl to mail, was a nurse. This was discovered Monday take the cure when he is in the invented that the hospital, when the girl's stepfather, B. L. Cram, when the girl's stepfather, B. L. Cram.

It had been hoped that the person is taking the cure. From an consumptive can be provided for while the afflicted person is taking the cure. From an client, just before she committed suicide by asphyxiation at her home in New London Saturday afternoon, which she gave to a little girl to mail, was a nurse. This was discovered Monday take the cure when he is in the invented that the person is taking the cure. From an client, just before she committed to ide by asphyxiation at her home in New London Saturday afternoon, which the dependents of the dependents of

It had been hoped that the letter might have been written to her mother and that its contents would reveal the motive and give some reason for her act of self destruction. The letter was addressed to someone eise and unless the person to whom it was writ-ten divuiges the fact, the secret of the young woman's motive for taking her own life will be shrouded in mys-

HEPTASOPH'S INSTALLATION. Officers for the Year Are Seated, With Joseph Foote as Archon.

Mrs. Eliza Ripley, entitled "Social Life in Old New Orleans."

Mrs. Ripley was the daughter of Judge Richard H. Chinn, and was born in Lexington, Ky. She married in 1852 to Cuba, where they owned a large sugar plantation, living there until the death by Mr. McHatton.

In 1873 Mrs. McHatton married Dwight Ripley, brother of Miss Hannah and Miss Harriet Ripley of this city, and passed the remainder of her girlhood life, a book of 322 pages, containing 25 handsome illustrations depicting the life of the south. The members of Norwich conclave assistd by the visiting brothers, in-stalled these officers: Archon. Joseph Foote; provost, George Bellows; prel-ate, L. A. Degrenier; secretary, J. F. Cochrane; financier, W. D. Moran; treasurer, Herbert Willey; inspector, Herbert Tillett; warden, George F. Til-lett; sentinel, Edward Dalton; trustees, Dr. J. W. Callahan, William T. Disco, W. L. Farrar.

Dr. J. W. Callahan, William T. Disco, W. L. Farrar.

One new member was initiated in pleasing form, The entertainment programme which followed the business session included dancing by Herbert Tillett and Edward Malcom, hand balancing by Malcom and Kristek, and pleasing selections on the Victrola loaned by the Plaut-Cadden company, Past Archon J. B. Benoit also entertained with well rendered solos.

An excellent oyster chowder was An excellent oyster chowder was served by the hotel management with all the fixings, and cigars were passed. Past Archon Hanlon presided at the exercises which followed the banquet. The committee in charge of the affair was composed of J. F. Cochrane, Robert Woodmansee, Herbert Tillett, Joseph Bellefleur, Leroy P. Johnson.

Judgment for the Plaintiff. Justice of the Peace Charles E. Hickey has rendered a decision in the suit of Denison & Brown vs. Lawrence Brockett of Norwich, giving rence Brockett of Norwich, giving judgment for the plaintiff for \$70. The suit was based on a claim for money alleged to be due as balance on a lum.

District Deputy John H. Cassidy, now of Waterbury, will be one of the speakers at the banquet of New London Elks Feb. 4.

NORWICH TOWN

First Methodist Pastor and Choir Provide Sheltering Arms Service—Tea Party Nets \$5.25—Death of Mrs. Mary H. Underwood.

Rev. M. R. French and choir of the First Methodist church were at the Sheltering Arms Sunday afternoon. Rev. Mr. French took for his subject The Fullness of the Spirit. Jesus Christ after being filled with the Spirit went to His life work, he said. The man who is filled with God will be the one who by faith will remove mountains of difficulty. Another result is a holy boldness on the part of the spirit-filled man. We must be fully surrendered and earnestly seeking for His blessing. An active faith is implied in seeking for this fullness of the Holy Spirit.

The chorus cheir under the direction of Mrs. F. H. Bushnell, who was also planist, sang man—beautiful hymns including Face to Face. Charles Frazier gave much pleasure to those presents.

tier gave much pleasure to those pres-int by his sympathetic rendering of the tenor solo Moment by Moment.

E. L. Tea Party. An Epworth league tea party at which thirty were present was given Saturday evening by Miss Gladys Miner at her home on Huntington avenue. Music was a feature. Many games were played. In a contest Mrs. John Hanna won the first prize, a letter of the second of the seco ter file; the second, a fancy ornament, was secured by Mrs. F. H. Bushnell. There was a brisk and successful bidding for packages with unknown contents. John Olsen acting as auctioneer. Matching tiny aprons with neckties provided partners at two attractively set tables from which a saled support

set tables from which a salad supper was served. The sum of \$5.25 was realized towards the league treasury. Died in March-News Just Received! News of the death of Mrs. Mary H. Underwood of Natick, Mass., reached here Monday. She was for several years a guest in the home of the late Dr. and Mrs. W. S. Palmer on the Green and made many friends while here. Her death occurred last March. The latter that received is the answer The letter just received is the answer to recent inquiries. The letter previ-ously sent by her son announcing her death went to the dead letter office.

From different localities come accounts of crimson ramblers leaved out. In some places on Plain Hill fresh green grass has appeared and a flowering quince and other shrubs are budded. A petunia which has been in the garden all winter was taken into the house a short time ago and is growing nicely. growing nicely

Clothes Fell on Stove.

Early Saturday morning a small fire was discovered in the home of Captain Edward F. Stinson of Chemical No. 3 by Lloyd Thompson, also of Chemicai No. 2, as he was on his way to breakfast. Mr. Thompson resides in the same house with Capt. Stinson, which is situated at No. 50 Monroe street, and when he reached the house he smelled smoke. Investigating the cause he found that a clothes line over the stove in Captain Stinson's kitchen had broken allowing the clothes to fall onto the stove and take fire. When Mr. Thompson discovered the fire it had spread to the floor and before he ple of pails of water quite a large hole had been burned in the flooring in
